About Fleogan

The Way to Move

Fleogan is a global company and supplies a broad range technical parts for passenger cars and light commercial vehicles in the automotive aftermarket. Our parts are alternatives to original parts that are of equal quality. Fleogan continually enhances its parts range because the automotive spare parts market is developing rapidly and we're continually looking for latest products.

Fleogan is your partner for automotive aftermarket spare parts. Our ambition is to always have the best solution for our customers's needs. We follow current trends and improvements so that our customers are always one up on. This differentiates us as pioneer in the spare parts market.

Fleogan is the perfect choice in the aftermarket. Because of the quality of our parts, selection, and the speed we offer our customers in the spare parts market.

Want Quality and Durability? Choose Fleogan!
The Way to Move!

Global Availability

Proximity to international customers is of great significant to the Fleogan. Fleogan will hence continue to steadily enlarge its global market existence.

Our company have earned trusted partnerships with customers and suppliers around the world

OE Quality

At Fleogan, quality means one hundred percent precision. All parts must meet our own strict quality criteria. We know exactly which factors affect the quality of the production process.

We have Double Checking System (DCS): initial sample checks and goods-in control. All our products are checked. In doing so, we rely on our products in OE matching quality. Each product is extensively tested to ensure you are receiving a high-quality and reliable product. Therefore we offer many top quality parts.

Component of the Global Gepard Automotive

FLEOGAN is component of the universally successful Gepard Automotive.

The umbrella brand of Gepard Automotive integrates the brands FLEOGAN and GEPARD under one roof. This brings a broad range of too many different products that fulfill the maximum demands on manufacturing quality and fitting accuracy.

Gepard Automotive as an expert in the spare parts market, supplying product quality and shipment reliability

Quality Management Continuous Product Quality

One of the important power of Fleogan is dependability. This is particularly approved by the continuous product quality, in addition to the delivery of goods at the right time. The satisfaction of our customers is our top priority.

We guarantee that the equal quality standards apply for the whole product line. We continuously check and constantly approve the claim of OE matching quality for each part.

Logistics Timely Delivery to Everywhere

Logistics performance is of vital significance in the spare parts market. Fleogan recognizes storage as an essential success element and is meeting market needs with well-developed logistics and sales ideas.

We guarantee continuous product availability and timely delivery to our customers. We are supplying our products to everywhere, no matter where in the world you are. Our lead times are short and competitive.

Fuel and Leak Off Pipes

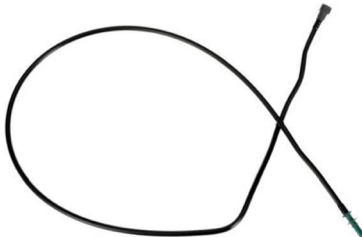

Fleogan supplies wide range of fuel and leak off pipes. Our range of pipes is compatible for most car models.

Fuel pipes are transferring wet fuel and vapour from the fuel tank to engine and back. Moreover, main function of leak off pipes is to return extra fuel from the carburetor to the fuel pump.

Fleogan products protect your vehicle's fuel system.
